Bond Total Reaches $706,720

More than 40 per cent over quota is the achievement of the Redwood City-Woodside-La Honda bond drive workers, it was revealed in an announcement made today by Drive Chmn. J. A. (Jake) Buhler. Sales have reached $706,720.25, Buhler reported.

Of the bonds sold, $200,978.25 represents sales of "E" bonds to individual purchasers, the objective of the first two weeks of the drive.

The retail merchants' bond committee, through Chmn. Abe L. Jacobs, announces sales as follows: J. C. Penny Co., $11,700; Territo's Super Market, $7250; Lebo's, $3500; Sequoia Men's Shop, $100. Jacobs calls attention to the window display at Lebo's, where a Nazi flag captured at Hill 609 is exhibited, and to posters throughout the city.

Combined efforts of students and faculty at Sequoia High School have resulted in a total of $15,539.35 bonds sold.

Next event to focus attention on the bond drive is the premiere at the Redwood Theater Feb. 8 at 8:15. Admission is through bond purchase at the banks, postoffice or theaters.

Block matrons are meeting this afternoon to survey their accomplishments in the drive, and plan a campaign to cover any areas of the city which they have not reached in their house-to-house canvas, which was carried out under the leadership of Mrs. Alice Stafford.

Meyers Is Installed By Toastmasters Club

Norman Meyers was installed president of the Toastmasters Club at a meeting this week at the Methodist Episcopal Church. S. S. Mayo took office as vice president. Guido Brandolini is secretary-treasurer and J. W. Thornton, sergeant at arms.

Genest de l'Arbre, Stanford medical student who escaped from Belgium after the Nazi invasion of the low countries, told the club of his experiences.

A musical program, directed by Otis Carrington, included numbers by Vivian Tiedemann, Stanley Baker and Dr. W. C. Gordon.

Tribune Offers Tax Primer For Readers

So you're having trouble with your income tax.

Aren't we all?

The 1943 income tax form has been described as the most difficult ever devised—and rightly so.

Because of this fact, the Tribune is offering its readers a new service to help fathom the intricacies of the return which must be filed by Mar. 15.

Alexander George, Associated Press staff writer and an expert on tax matters, has written a 16-page Tax Primer telling you how to figure your tax.

This Tax Primer will be sent free of charge to anyone sending his name and address, plus a three-cent stamp to cover postage and handling, to the Tribune. Address your request to Tax Primer, Redwood City Tribune.

The Tax Primer tells you who must file a return, which form to use, what deductions are allowed, whether or not you qualify for a refund, how to figure victory taxes, about exemptions for soldiers, how you may save money.

These helpful booklets will be mailed after Feb. 12, but the supply is limited and requests will be considered in the order of their receipt.

WMC Asks Workers For Hawaii

A critical shortage of skilled tradesmen and laborers exists in Hawaii. The War Manpower Commission has granted priority to the immediate recruiting of such workers. Quotas are especially large for machinists, electricians, pipefitters and laborers, Chester B. Fox, local civil service secretary, said today.

Men, between 18 and 38 years of age must obtain, from their draft boards, a permit to depart from the United States.

Workers are employed only under an 18-month contract. Pending personal investigation, men may accept temporary employment at Mare Island Navy Yard or at Hunters Point Naval Drydocks, San Francisco. Transportation is furnished by the Navy Department. Salary at "out of the country" rates is effective on the date of sailing for Hawaii. For applications call at the post office, Redwood City.

Overcharges Will Bring Law Suits

Housewives have been given a weapon by Congress against overcharges which they can use effectively, according to Teddy Lauman, chairman of the Redwood City War Price and Rationing Board.

Under the Emergency Price Control Act, Mr. Lauman explained, shoppers have the right to sue for three times the overcharges or the sum of $50, whichever is greater. This was done, he said, to enlist the co-operation of the consumer in the fight to hold the line against excess charges.

Another check is through the price panel of the board, Lauman said. Complaints about overcharges made to the price panel are investigated without involving the shopper who made the report, and an effort is made to bring the merchant into compliance with OPA regulations.

Lauman emphasized, however, that most dealers are abiding by OPA prices and regulations. He said "those who might get careless will be on their toes if they realize women are on the alert for overcharges."

Lauman revealed that the OPA had taken steps to get low priced women's and children's dresses, coats and outer garments back into production. Beginning Feb. 1, 1944, manufacturers who normally made these garments for sale in the lowest priced lines have been granted authority to make slightly higher priced lines, in order to bring more garments on the market.

Hilda Ford Leaves $165,960 Estate

Hilda M. Ford, 417 Roehampton Rd., Hillsborough, who died Nov. 29, 1943, left an estate valued at $165,960.93, an inventory filed in superior court here today revealed. Bulk of the estate was in securities.

Newspaper Unity Asked By McCue

Calling for effective unity of San Mateo County newspapers, Floyd McCue, Redwood City publisher, assumed presidency of the San Mateo County Press Assn. this week. McCue, publisher of the Redwood City Star-Advertiser, was installed by George McQueen, publisher of the Burlingame Advance.

R. L. Spangler, editor and manager of the Redwood City Tribune, took office as secretary-treasurer.

In attendance at the meeting, held in Redwood City, were Mr. and Mrs. McCue; Joseph Willis, Menlo Park Gazette; Mr. and Mrs. Harry Elston, San Bruno Herald; McQueen; Mrs. Doris Thompson, Belmont Courrier; Mrs. P. W. Brubaker of the San Mateo Times, and Mr. Brubaker; Willis C. Johnston and Hi Farnsworth of American Type Founders.

S.C. Woman's Kin Dies in New Zealand

SAN CARLOS—Mrs. Lester E. Lafferty, wife of the publisher of the San Carlos Enquirer, was notified this week of the death of her brother, Berthon Shute, marine engineer. According to meager advices received here, Mr. Shute was the victim of a shipboard accident. He was taken off the boat to a hospital at Nelson, New Zealand, and died Dec. 26.

His home was with his mother, Mrs. Georgina Shute in Auckland. He leaves another sister in Australia.

Two Shows Set For San Jose

San Jose is scheduled for two theatrical events running the gamut of sheer comedy and intense drama when "Kiss and Tell" plays in the civic auditorium there on next Sunday evening and the fabled Ethel Barrymore appears on the following night in "The Corn Is Green."

Ethel Barrymore in "The Corn Is Green" is said to be at the peak of her superlative powers. The late Alexander Woollcott said of her performance in "The Corn Is Green": "Words fail me—and it serves me right for having squandered them on lesser occasions—when I try to tell people the glory that is Ethel Barrymore . . ."

Tickets for both events are on sale at the auditorium box office.

Pamplins Purchase Cobb's Auto Court

Sale of Cobb's Auto Court on Bayshore Hwy. north of Mt. Diablo Ave., San Mateo, was revealed today with the filing of a deed with County Recorder T. C. Rice. Sale price, according to stamps affixed to the deed filed at request of San Mateo County Title Co., was $90,000.

The sale was from Mr. and Mrs. A. B. Cobb to Mr. and Mrs. Henry F. Pamplin of the East Bay. Included in the sale were the real property, totaling two acres, and improvements and also personal property in the courts.

Physicists have suggested that the Appleton layer, highest of the amospheric layers, has a temperature of about 1600 degrees Fahrenheit.

BONDS: Chairman Spurred By Soldier's Letter Home

War bond sales in the Menlo Park Fire District are called "encouraging" by Lloyd Neumann, chairman of the Fourth War Loan campaign in that area.

He added that the quota is far from reached and purchases by everyone in the area will be needed.

He said his own efforts had been spurred by the following letter from an overseas soldier, published in a Kansas newspaper:

"Dear Jim and Al:

"It is pleasant to hear from you after such a long period of time, but it is unpleasant to learn of your changing conditions of living which I can readily understand from the change of my own conditions.

"It is too bad you are limited in the use of your automobile. I know how it is to walk through miles of swamp and jungle. So I understand.

"It is too bad to have your choice of food limited. I have experienced this too, except that there is no choice here. So I understand.

"It is too bad that Willie has to work so many hours a day at the defense plant. I have to work nights as well as days in our defense lines. So I can understand how he feels.

"It is too bad John has so little time for amusement. I too am deprived of amusement. So I understand.

"It is too bad that you have to wait in the rain for transportation. I have had to wait in the rain on post and often our transportation and destination is so uncertain. It is hard to wait over here with enemy planes raining bombs down on us while others strafe us with machine gun fire—yes, I can understand how troublesome it must be for you folks back home to have to wait in the rain for your street car.

"It is too bad you are being paid so little for working so hard and that it is necessary to strike for more pay. We only get a fraction of what you folks get, so I know what it is like to be paid so little.

"Winning this war is hard on all of us. You work long hours and so do I. So I understand. But during these long hours I get SHOT at. DO YOU UNDERSTAND? Regards, Ted."

Blades To Blood Talk Is Phoney

"If a man peddling razor blades, claiming he is turning the proceeds over to the blood donor service of the American Red Cross solicits you, call the police."

That warning was broadcast today by the Redwood City Chamber of Commerce, who are informed by the Better Business Bureau that the Red Cross knows nothing of this individual, and is not receiving any funds from such a source.

"Don't be a 'dope' in expecting a 'dope' to work miracles for you," is another warning of the Better Business Bureau, with reference to various compounds sold as panaceas for battery failure, and which tests show to be useless. Nothing has yet been found, according to the bureau, which can be added to the electrolyte of a storage battery to facilitate charging or increase its life.

BOY SCOUTS: Dematteis Appoints Committees at Southern Division Meeting

The Southern Division district meeting under the chairmanship of Louis B. Dematteis was a success and was well attended, said Chairman Dematteis today. The scouters met at the Sequoia High School. Roll call revealed the attendance of the following units: Troops 160, 143, 107, 153, 105, 159, 154, 108, 162, 149, 120; Ships 145 and 154 and Packs 54, 53, 43, 15 and 4. The following scouters were also in attendance:

W. P. Stevens, G. W. Smith, P. H. Bozzo, Ralph Case, Stanley Marcus, Andrew Spinas, George A. Cook, Hal Honoré, Hamilton Day, C. W. Brizee, Bert Werder, Frank A. Council Pres. Philip N. Lilienthal was also in attendance to bring the council's greetings to the members of the Southern Division. Council Cub Comsr. Dr. J. M. Foley addressed the group and outlined the council cub program for 1944. He called upon the members of the Southern Division to promulgate the program for the younger boys. Milton Landgrebe, district cub commissioner for the central division was present and addressed the group on the importance of the cubmaster's job.

Comsr. Stanley Marcus reported on his visitations to the various units. Council Scout Field Executive Chet E. Wilson reported on the status of each unit in the Southern Division. Amerigo Rossi, chairman of the advancement committee, reported on the successful court of honor held in San Carlos recently. Bert Werder reported on the successful bridge of honor held at the Yacht Club in Redwood City last month. Scout Executive Barrer climaxed the evening with the report of the objectives for the coming year, stressing the three major achievements for the Southern Division, namely membership, advancement and camping. The camporee dates for the Southern Division were set for May 6 and 7. The council camporee was set for May 20 and 21.

Chairman Dematteis, in accordance with the by-laws of the constitution of the council, appointed the operation and planning committees for the Southern Division for 1944.

EXECUTIVE BOARD

A large delegation of members of the executive board, headed by Dematteis attended the executive committee to arrange the program for observance of the Boy Scout Week by all troops, packs and ships throughout the San Mateo County Council. Christie stressed the importance of the following events:

1. Boy Scout Sunday, Feb. 13. Scouts to attend churches in uniform in a body with special scout church services to be arranged by pastors of churches sponsoring scout troops.

2. Boy Scout displays in store windows by each troop and cub pack.

3. Defense emergency preparedness demonstrations on business streets in down-town sections by every troop on Feb. 12.

4. Special Boy Scout Week parents' night for scout parents at the regular troop meeting during the week.

5. Troops to plan special civic or community good turns during the week.

6. Scouts and cubs to wear the official uniform throughout the week of celebration.

TROOP NEWS

Troop 105, under Scoutmaster A. J. Williamson, held a meeting at the Scout Hall last week with 15 in attendance. The meeting consisted of business, tenderfoot test passing at which time scouts Jasper Di Giovanni, Lloyd Watson and Jim Wakefield passed the tenderfoot test and the games. The scouts participated in the bond drive and gave signalling and first aid demonstrations.

Troop 120, under Scoutmaster H. S. Stout, held an informal meeting with 19 in attendance. The feature of the meeting was test passing at which time seven boys passed tests.

Troop 143, under Scoutmaster Hamilton Day, held a regular meeting with 13 in attendance. The boys practiced new types of knots. Also they had a discussion and prepared for camping and had observation tests.

Troop 154, under Scoutmaster Riley, held a regular meeting with 29 in attendance. The meeting was conducted by the K. D.'s, John Wrentmore and Bill Fryer. Also there was a basketball game between Troops 153 and 154 with a score of 24 to 27, Troop 154 winning.

Troop 162, under Scoutmaster McCann, held a regular meeting with 20 in attendance. The boys had Morse code practice, Indian wrestling and games. Phillip Peterson passed his second class test.

Troop 160, under Scoutmaster Chester Armstrong, held regular meeting with 20 in attendance. District Commissioner Marcus made his regular inspection of the troop. Marcus reports that the troop is preparing for their re-registration in February. Bob Manning, a naval air cadet now stationed in Kansas and who is home on leave, visited the boys. He was formerly scoutmaster of Troop 160. He told how his scout training helped him in his recent studying at St. Mary's Preflight School. Scout John Lundin passed his tenderfoot test.

CUB NEWS

Pack 3, Ravenswood School in East Palo Alto. The den mothers of Pack 3 met in the Redwood City office last week with Chet E. Wilson, field executive and outlined a program for den mothers and dens and for the responsibility of the cub committee. Those present were Mrs. A. N. Skanderup, Mr. and Mrs. Roy McCandless, Anna M. Larraux, Ruth Howard, Ethel B. Massing, J. B. Massing and Miss Sturgeon. Pack 3 has planned a meeting to take place on Feb. 25 at which time their charter will be presented to them as well as any awards to the boys who may have earned them during the past few months. The meeting will be held at the Ravenswood School in East Palo Alto.

Pack 59, Woodside, had a charter presentation meeting last Friday. Every boy of 9, 10 and 11 years of age in Woodside is now a member of Pack 59. Much credit is due the den mothers of this pack—Mmes. Birkeland, Kochler, Woods and Flynn—as well as the cubmaster, Edwin L. Tate—Chairman of the Cub Committee Mr. Arthur Gordon and the members of the committee—C. B. Cheney, Dennis Flynn and William R. Kochler. The Woodside School PTA is sponsoring the pack.

Sequoia High School News

Whether the head yell leader should be elevated to the position of commissioner was the hotly debated issue at the recent commissioners' meeting. Brought up for discussion again, the proposed plan calls for making the head yell leader a new commissioner of morale with control of all activities to promote school spirit.

The new plan, if passed, would not affect the status of the present head yell leader, but would become effective before the next election of commissioners. To become effective, a change in the school constitution must be made which requires a majority vote of the student council.

The two commissioners for the new commissionership, John Wrentmore and Charles Spharler, plan to push it through either the commissioners or council. Failing this, they plan to take the bill to the students themselves.

With reported purchases of some large-denomination bonds sophomores have moved up from second to first place in the school war bond contest. The seniors are now second while freshmen are third and juniors last. The four classes have brought in a total of $14,357 for the Fourth War Loan so far.

Mrs. Ray Hawley, formerly Miss Penez, left her teaching position last Friday for the duties of housewife in her new home in Redwood City. A tea was given in her honor Thursday afternoon by teachers of the English department and the counselors.

With the flag lowered at half mast, the death of Robert Furnas '41, naval aviation radioman, and Frank Saunders '40, Army Air Corps, was announced to Sequoians last week. Their deaths resulted in the addition of the twelfth and thirteenth gold stars to the service flag.

School Expenditures Show Slight Decrease

Current expenditures for the Redwood City Elementary School List, averaged $81.32 per pupil in average daily attendance for 1942-43, compared with $84.42 for 1941-42, California Taxpayers' Assn. stated today, releasing its study of pupil expenditures in 211 of the larger elementary school districts in California.

Elementary average daily attendance in the district totaled 2248 for 1942-43, compared with 2025 for 1941-42, the association found.

Expenditures for teachers' salaries per pupil in the elementary schools averaged $58.02 for 1942-43, compared with $59.42 for 1941-42.

Expenditures for other current purposes in the district averaged $23.30 for 1942-43 and $25 for 1941-42.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Commuters: Son's Finance Beats Joe Caboose

BY JOE CABOOSE

We're a little punch-drunk tonight after trying to explain to our four young hopefuls the circumstances under which each becomes the possessor of a brand new $25 war bond. It cost the old man some 40 bucks to make up the amount the stamp books were short. But the rub is, the kids still think we owe them the 40 bucks.

★ ★ ★

Raymond, for example. We explained over and over that we were merely advancing him $8.25 so he could buy his bond NOW, and that he would have to work this out, by raking leaves and cleaning up the garden. After we were sure he understood the $8.25 was a simple loan, he said: "Thanks for the new bond, but why don't you make it a clean deal and give me the $8.25 in cash. Then I could start a new stamp book right away."

★ ★ ★

Perhaps we should encourage him in that system of mathematics and train him for a career in Washington.

Children are so smart now-a-days you hesitate to discipline them. Like the lady who told her little daughter that every time she was naughty her mother got another gray hair. Whereupon her daughter replied, "Well, mother, you must have been a terror when you were a little girl. Look at grandma!"

Chmn. Clarence Brizee reports that commuters have responded nobly to his war bond appeal and that he has $28,000 already pledged or actually purchased. "And we still have two weeks to go before we hold our street sales on Feb. 12," said Clarence. We hope it's no secret that top purchaser among the commuters to date is Lloyd Liebman, with $7000. And Fred Dutweiler, we believe, is second with $3000.

★ ★ ★

At the commuters dinner meeting earlier in the month when $15,000 was pledged in about three minutes, Liebman promised only $3000. He actually bought $7000. Dutweiler pledged $2000 and has already purchased $3000. Others present have increased the amounts of their original subscriptions which indicates the sincerity and genuineness of commuter pledges.

★ ★ ★

Our congratulations to Bert Morgan, Wayne Burke, Ray Cereghino and all others who had anything to do with putting on the fine Cub show at McKinley School last Friday night. Believe it or not, 53 boys, 4 den mothers, 4 den chiefs and 42 parents showed up to take part in and to witness the interesting program.

★ ★ ★

The Commuters Club, which sponsors Cub Pack 16, is particularly fortunate in acquiring the service of W. R. (Wayne) Burke as cub master. Burke is schooled in the technique of handling small boys, and is enthusiastic about the work. Let's give him the support he deserves!

★ ★ ★

It was announced that Cub Pack 16 will hold a special track meet at McKinley School on Washington's Birthday—Feb. 22—and Commuters and their families and friends are especially invited to attend. Club members who wish to do so may furnish prizes for the various events. If you want to give a small prize, contact Bert Morgan.

★ ★ ★

Rumor has it that Guido Simoni is going into the army. Marty Formico has his own system for getting a seat on the S. P. (Ask him about it when you see him.) The sick committee was on the prowl Sunday. To quote Joe Corbett: "In my case, you may report progress." John McGraw is home from the hospital and getting along fine. He enjoyed the book sent him by the club. John Clarke is in bed, allegedly with flu, but Mrs. Clarke threw some doubt on his status when she said John was "seized suddenly" after she mentioned the front yard needed working over in preparation for a new lawn.

★ ★ ★

The board of directors meet tomorrow night at Lloyd Liebman's house on Arlington Rd. (Special note to Mrs. Liebman: Don't make coffee! You remember what happened last time.) The regular membership dinner meeting will be held Thursday, Feb. 10, at Sodini's.

It's okay to live beyond your means providing the money you can't afford to spend is going into WAR BONDS!

Legionnaires Initiated

With about 300 present, 76 new members were obligated Tuesday at Laurel Hall by San Carlos Legion Post 585 of the American Legion. Of the initiates there were a number of veterans of World War II and also included a father and son initiated, the former of World War I and the latter of World War II.

Lloyd Tobey of the San Carlos post was master of ceremonies and the San Mateo ritualistic team initiated.

Following the initiation Comdr. Albert Knoy of the San Carlos Post addressed the group. Special guests of the evening were Dept. Vice Comdr.-at-Large Cleo R. Vreeland; Dept. Membership Chmn. Clifford K. Clark; Dist. Comdr. Dr. John N. Blood, Redwood City; Chef de Gare Harry C. Welch, Belmont; Comdr. Floyd F. Frost, Belmont Post; Comdr. H. A. Harrison, Redwood City Post; Comdr. John M. Zurick, 363rd Infantry Post, San Francisco.

Other guests were Mrs. John Anthony McGee, president San Carlos Post Auxiliary; Mayor A. H. Sagehorn, San Carlos; Councilman E. R. Burton and Donald R. Lilly, San Carlos.

The number of federal retirement claims now is declining because many persons reaching retirement age are remaining at work.

Driver Seeks Fun Leaving Bus Stranded

Walter Schmidt, 32, bus driver from Taft, was in the county jail here today on a charge of drunkenness.

Behind that charge is a story of how he allegedly left 25 bus passengers traveling from Taft to San Francisco fuming in Redwood City for seven hours Monday night.

The northbound bus stalled on Bayshore Hwy. near Friendly Acres at 10 o'clock Monday out of gas, Schmidt reportedly told his passengers — and Schmidt came to Redwood City for aid. He failed to return to the bus until three hours later.

Meantime, furious passengers observed upon his return that Schmidt had indulged in something stronger than water and contacted the California Highway Patrol office here. Schmidt was arrested at 1:10 a.m. by Patrolman Chester Kreiss and a physician pronounced him drunk. The bus was towed to the CHP office where the passengers, including a young mother with a baby, remained until 5 a.m. when they transferred to another bus line and were taken to their destination.

P.S. The regular gas tank on the bus was empty. However, there was an auxiliary tank on the bus—and it was full!

IT BRINGS THE WAR RIGHT TO US

It makes us Johns-Manville workers feel we're right in the middle of the war . . . I mean a telegram like the one we J-M folks got from Rear Admiral D. C. Ramsey of the Navy Bureau of Aeronautics.

Rear Admiral Ramsey said that the Commander of the long range patrol bombing plane which sank a Nazi submarine off the coast of Brazil reported that "we had no trouble with the insulation on the heating pipes . . . our cockpit was always warm even in the coldest climates." THAT was us, us J-M guys, up there keeping the boys warm while they sank that sub.

And a lot of other subs, too.

It makes us a real part of the fight!

War's Worst Gremlin: 'You Don't Count'

"Why should I buy war bonds . . . I'm only one little person. If millions of other people buy them it won't make much difference if I don't."

But if every one of the millions of other persons in the U. S. said the same thing, you'd have zero multiplied by 130 million—which is zero.

Each one of us is a big factor in the war—and that goes for buying bonds, giving plasma, fighting inflation and doing good, steady work on the job.

HORSE SENSE VS. —

Horse-play has caused more damage than sabotage in war plants, says the F. B. I.

Uncle Sam also estimates that 20 to 30 out of every 100 pounds of food is wasted by Americans. About 15 percent goes to garbage cans. Mostly vegetables, greens and baked goods. Waste can lose the war.

American's Don't Like Apron Strings

Most of us hope that, after the war, we can go right on working and growing in the jobs we now have, or better ones, but making things for peace instead of war.

Most of us don't think the world owes us a living. We just want the opportunity to make our own way.

We want **freedom**—to work enough to just get along, if that's the way we feel, or to work and sweat at the job of our own choosing and be able to buy that big new house.

Little Journeys to J-M Plants

Men who used to work in the Johns-Manville factory at Jarratt, Virginia, and are now in the service, can see J-M Insulating Board in the naval air base in Newfoundland, along the new Alaskan highway, in U. S. depots in the Mediterranean and South Pacific areas . . . and everywhere!

J-M Jarratt insulating board output today is used not only in many "offshore bases," but in farm buildings to help the food-for-victory program, in home repair to help save fuel, and in new houses and enlarged old houses for war workers in congested districts.
